Our essentials collection needs no introduction: beautiful basics and inspirational items that enhance their surroundings.

Always practical, yet always with that little extra quality Edelman's Essentials are known for. We have added must-have tableware to the Essentials Collection and a new productgroup and brand "In The Mood." The cushions of "In the Mood" are strongly represented on the shop floor and known for its range in colours and textures for home textiles.

Essentials are never out of stock and offer unique shelf-planning possibilities.

The benefits of the Essentials:

- Extensive range of on-trend products.
- Outstanding choice in colours, designs and materials.
- A never-out-of-stock supply.
- All-round high service level for your order.

We hope you'll enjoy choosing your new Essentials!

SHOWROOM

Professionalism is what makes Edelman a top partner in business. Edelman prides itself on its generous hospitality and welcoming showroom. On display is over 7000m2 of products and designs with focus on the newest trends and technical innovations. It's really a one-stop-shopping for all our collections and concepts.

WEBPORTAL

Are you looking for items that we can deliver directly from stock?
On our regular webportal www.edelman.nl you will be able to order at any time of the week.
For our seasonal collections you can visit www.prebook.edelman.nl.
There you have the opportunity to prebook our new collection.
Feel free to take a look and enjoy the new and inspiring collections.

SHOP SOLUTIONS

At Edelman we like to help you to accelerate your business any way we can. That's why many Essentials collections come with incorporated point-of-sale materials for improved marketing strategies. We offer space-saving presentations, in-store communication, shelf positioning and practical and appealing displays.

01

POTTERY & GLASSWARE

Timeless, high quality designs to make a statement – Essentials' assortment in pottery and glassware provides the perfect items to enhance every collection. All items have been selected on top quality and unique characteristics to make them stand out.

Our pots and glassware are finished with the upmost care - part of our collection is even handmade. Do you want to make a sustainable choice? Our glassware made of recycled glass is a suitable option for you!

Handmade in Portugal

Gorgeous shapes, special glazes, handmade on the potter's wheel – we are so proud of these amazing terracotta pots from Portugal, a specialty by Mica Decorations. Pots like Lester, Ingmar, Nora and Douro are all made of superior Portuguese clay. This material is extraordinary fine, its composition is only found in the north, especially in the Barcelos region. All products are handmade, not one is exactly alike to another. The craft of the special manual technique on the potter's wheel is passed down through generations, making every pot truly unique.
